

AGENDA

TVCC Faculty Association

September 30, 2022

Scheduling of Classes	Discussion of ways to improve the course scheduling process
8-week Schedule	Discussion regarding the process of developing an 8-week schedule, why this is being required, and what input faculty will have in the scheduling process.
Overloads	Discussion regarding timing of overload contracts, prioritization of full-time faculty in overload discussions.
Professional Development	Clarification regarding the amount of professional development that is required of each faculty member and what events are considered required participation
Request for Survey	Repeat of employment satisfaction survey on a regular basis
Contract Task-Force	Request to build a task force designed to identify and recommend solutions to faculty contract processes (overload contract timing, length of contracts)
Presidential Search	Request for update on presidential search committee and process of choosing members.
Student Support Hours	Discussion regarding use of Student Support Hours, ways faculty can use those hours effectively, and flexibility in the use of office time
Other items	Other items as needed
