AGENDA

TVCC Faculty Association

September 8, 2023

Priorities for 2023-24

Discuss priorities for Faculty Association for the current year. Items will include any needed changes to Faculty Association meetings, improving faculty/administration communication, AI, and campus culture.

8-week process

Discuss the structure and channels for the implementation of 8-week classes, including scheduling and course design.

Registration

Discuss suggestions for improvement in registration processes, such as increased student communication and late registration

Other Items

Other items as needed
