

## TVCC Faculty Association

November 22, 2024

### Agenda

1. Faculty Workload/Time on Campus Policy.
2. Improve Chain of Command Communications.
3. Hiring Practices, complaint of not posting positions, no transparency in hiring practices.
4. Concern of how different athletic groups check on their athletes regarding attendance and grades. Can we have a uniform process for all athletes?
5. Need for more electrical outlets in classrooms or desk that have the plugs on top. Since most textbooks are Inclusive Access or OER, 95% of students use some type of electronic device during class. Need for updated classroom furniture.
6. College policy for the use of AI. Students are using AI and passing it off as their work.
7. Water fountains in Tech Building and for Terrell Campus. When will the fountains that have bottle filling capabilities be installed?
