TRINITY VALLEY COMMUNITY COLLEGE OVERVIEW

MISSION AND HISTORY

MISSION STATEMENT

Trinity Valley Community College is a learning-centered college that provides quality academic, workforce and community service programs to meet the educational needs of our students and the citizens of our service area.

HISTORY

Trinity Valley Community College was founded as Henderson County Junior College by a group of Athens, TX civic leaders, headed by J.P. Pickens, Orval Pirtle, and public school administrators in late 1945 and early 1946. Creation of the college was formally approved by voters in spring of 1946. The first registration and 1946 summer classes were conducted in temporary facilities at Athens High School. Classes for the 1946 fall semester were moved to a dedicated property provided by the Board of Trustees which remains as our main campus in Athens.

The school became a multi-campus institution with the initiation of instructional programs at the Texas Department of Criminal Justice Coffield, Beto I, Powledge, and Michael units beginning in 1969. Additional campuses were established in Palestine, TX in 1972 and Terrell, TX in 1973. In 1983 the Health Science Center campus was opened in Kaufman, TX.

In 1986, the Board of Trustees voted to rename the institution Trinity Valley Community College to better reflect the five county areas our campuses serve. Trinity Valley Community College has a proud heritage of service to our region and continues to support the needs of our community and student body.

Henderson County Junior College 1960

STATEMENT OF PURPOSE

TVCC exists for the following purposes:

- To prepare students for transfer to upper-level institutions by offering a core curriculum of freshman and sophomore courses in the arts and sciences;
- To prepare students for employment through completion of academic and workforce programs leading to an Associate of Arts Degree, an Associate of Applied Science Degree, or a Certificate of Completion;
- To help disadvantaged students develop educational skills leading to academic success;
- To provide continuing adult education programs for occupational or cultural enrichment;
- To provide workforce education programs leading directly to employment in semi-skilled and skilled occupations;
- To support and promote workforce development programs designed to meet local and statewide needs;
- To offer a comprehensive student development services program, including counseling and guidance; and
- To provide literacy and other basic skills programs for adults.

TRINITY VALLEY COMMUNITY COLLEGE 2011-2014 STRATEGIC PLANNING GOALS

- Enhance learning by focusing on improving or enhancing student engagement, student services, academic success, workforce success, and learning resources.
- Enhance the college by focusing on improving business processes, college finances, facilities management, technology infrastructure, and human resources services.
- Enhance community life by:
    - Strengthening our connection to the community and alumni
    - Increasing our student population by outreach activities designed to reach underserved groups
    - Serving the community with a wide variety of continuing education programs
    - Continued support for student sponsored/performed community service activities
    - Increasing opportunities for college attendance by offering a wide variety of courses via distance education

THE VALLEY WAY

Value

We will value our students and understand that without them we would not be here.

Accountability

We will hold ourselves and each other accountable.

Lasting Traditions

We will continue to have pride in our institution, while we pursue excellence for both our colleagues and students.

Learning Environment

We will foster a safe and inclusive learning environment in which our students and staff feel respected by, and connected to, one another.

Ethical Behavior

We will choose to be ethical in all of our dealings.

You First

We will value individuality and the opinions of others. Every voice has the right to be heard, and every word will be spoken with respect.

DEGREES AND CERTIFICATES AWARDED ANNUALLY AS A PERCENTAGE OF TOTAL ENROLLMENT

A dramatic rise in enrollment accompanied a decrease in the annual percentage of degrees awarded after 2008. This trend is now reversing and has been attributed to an influx of students that were not college-ready.
